- Notes** - The devil has influenced many events on the earth through various leaders via the spiritual realm.
- Beast heads are symbolic to represent the devil's activity on earth, whether direct or indirect.
 - The beast is not a separate being from the devil. It cannot operate by itself since it is an extension.
 - The devil has authority on earth that is channeled through the beast ([Revelation 13:1-2](#)).
 - The prophecy about the serpent stated in [Genesis 3:14-15](#) is alluded to in [Revelation 13:3](#).
 - God's word is the spiritual sword that decreed the devil will "eat dust" (go to the realm of the dead).
 - God allows the beast to rise from the dead (pit) to accomplish His plans ([Revelation 13:5-7](#), [17:17](#)).
 - Rising from the pit occurs when the wounded head is healed (devil assumes bodily form of a man).
